The definitive download guide to Super Golf for the Atari Computer Game. Super Golf is a game of golf that's fun for all ages. The best part? It's free!

GETTING STARTED

Insert your American Golf game cartridge into the A slot. It takes about one second to play, and then you'll be asked to select a course. Then choose the number of players, following the number of players. One player will be designated the master. The master must choose the course and make other decisions about the game. Chopper will try to keep you from doing this.
